Clan Update

**THE FEUGHSIDE GUESTHOUSE
HOME OF CLAN STRACHAN**

Strachan, Aberdeenshire, 3 June 2021

We wanted to give our Clan members and supporters an update on the newly acquired Home of Clan Strachan. It has certainly been a challenging year for all of us, all over the globe. As many of you already know, in 2020, in the midst of a global pandemic the Trust raised nearly £340,000 for the purpose of acquiring the Feughside Guesthouse situated in Strachan, Aberdeenshire. Certainly, with the pandemic continuing to linger through mid-2021 we are somewhat stalled until businesses can fully re-open and the economy recovers. Moreover, it was impossible to move forward with any plans up to this point because of the pandemic, but we do want to make sure we express what the next steps will be as we emerge from it.

Regarding the naming of the building, there was no strong consensus among the various alternatives. Subsequently, the Trustees have decided to keep the name of the building 'Feughside' with the tagline 'Home of Clan Strachan' below it.

The Trustees have continued to meet quarterly, and we have identified several items that still need to be accomplished. The top priorities are:

- **Recognition Stone**: The Trustees would like a permanent monument to recognize Strachans and others who donated £250 or more towards the acquisition of the Feughside Guesthouse. We are currently in the process of obtaining quotations, and we're not quite sure if we will be having names engraved, or if a large plaque will be mounted to a stone. We hope to have this in place during this year (2021). (Ref. Exhibit 1)
- **Procurement of Design Professionals**: Trustees of the Clan Strachan Charitable Trust are seeking the assistance of an architect or landscape designer willing to contribute to the future redevelopment of the Feughside, in the village of Strachan, Scotland. Anyone interested, please email jim@clanstrachan.org
- **Heritage Lounge**: The Trustees have decided to create a heritage lounge, appropriately themed with Strachan memorabilia.
- **Repairs**: The interior of the building is in fairly good shape; however, the exterior does need repairs. These include gutters, a roof repair, conversion of a public restroom, bar in the heritage room, and other minor repairs.
- **Fundraising**: We will be commencing a fundraising drive for these repairs and improvements as we obtain costs and confirm contractors.

We will need additional resources now that we actually have the property to make these changes in order to create a proper Home of Clan Strachan. Thanks to those who have been so generous up to this point to make this a reality for generations to come.

The Clan Strachan Charitable Trust is regulated in accordance with the Office of the Scottish Charity Regulator (OSCR). The charitable objectives of the Trust are: (1) To act as an authentic, international body for the collection of Scottish historical relics, particularly those relating to Clan Strachan; (2) to collect, collate, and record these items and be responsible for their housing and preservation; (3) to encourage study, interest, and research into Scottish history, particularly that of the Strachan family; and (4) to support other charities, museums, and galleries in furtherance of these aims.
